## BOUND VOLUMES OF DESTINY

Bound Volumes of DESTINY are a valuable source of information on Scriptural and kindred subjects. The exegesis of Biblical truths, as presented throughout the years in these volumes, cannot be found in any other publication. Many who possess these unique volumes have written of the timelessness of the majority of the articles, even in the earlier issues of DESTINY. In order that you may also have the advantage of access to former issues of DESTINY, for reference and research, a limited number of complete sets of DESTINY have been bound each year, to be made available for this purpose. These are attractively and durably bound, with title stamped in gold. A complete master index enables the reader to turn quickly to any desired article or editorial.

No copy is ever out of date and, during this climactic transitional epoch, many of the articles in back numbers of DESTINY become even more valuable than when they were originally published. We still have a very limited supply of the earlier volumes and, while they last, the prices are as follows: Volume X (1939), Volume XI (1940), and Volume XII (1941) — \$3.50 each postpaid. Volume XIII (1942), Volume XIV (1943), Volume XV (1944), Volume XVI (1945), Volume XVII (1946), Volume XVIII (1947), Volume XIX (1948), Volume XX (1949), Volume XXI (1950), Volume XXII (1951), Volume XXIII (1952), Volume XXIV (1953), Volume XXV (1954), Volume XXVI (1955), Volume XXVII (1956), Volume XXVIII (1957), Volume XXIX (1958), Volume XXX (1959), Volume XXXI (1960), Volume XXXII (1961), Volume XXXIII (1962), Volume XXXIV (1963), Volume XXXV (1964), Volume XXXVI (1965), Volume XXXVII (1966), Volume XXXVIII (1967) and Volume XXXIX (1968) — \$5.00 each postpaid.
